Information regarding clients pursuant to article 13 of EU Regulation 2016/679

PREAMBLE

In compliance with EU Regulation 679/2016, containing provisions relating to the protection of personal data, **infodolomites.com di Canins Emanuela**, with headquarter in 39036 Badia (BZ) Str. Costadadoi 115, (hereinafter referred to as "infodolomites.com") in its capacity as Owner/Data Controller, is required to provide certain information regarding the use of personal data. Given the above, infodolomites.com compliance with the current rules on transparency and mandatory publication of data and documents remains valid.

DATA SOURCE AND TYPE

Personal data acquired by Infodolomites.com may be collected:

- directly from the interested party;
- from public-access sources (e.g. documents published in the Chamber of Commerce, etc.);
- from third parties in cases in which Infodolomites.com acquires data from external organizations for the purposes of sending information, carrying out market research or presenting offers regarding products and/or services.

In cases in which data has not been collected directly from the interested party, this information is provided at the time of registration and in any case not later than the first possible communication.

Where the existing relationship requires it, the data processed is personal data relating to individuals and, where appropriate, particular data such as sensitive/judicial data. It is possible that, in order to fulfill specific obligations related to the management of the relationship (such as accounting, social security, welfare and tax, as well as in the case of management of a possible legal dispute, out-of-court and/or consultant advice), Infodolomites.com may be in possession of data identified in legal terms as "sensitive" (such as data from which racial and ethnic origin, political opinions, membership of parties, unions, religious, philosophical trade union, and political associations or organizations may be inferred as well as state of health and judicial data).

However all this data is processed for the pursuit of institutional purposes in compliance with the aforementioned law and the confidentiality obligations which infodolomites.com commercial activities have always respected.

RETENTION PERIOD

Data is kept only for the period of time necessary for the purposes for which they are processed or in accordance with national and European Community regulations, laws and rules and with which Infodolomites.com has to comply (e.g. accounting and tax regulations, etc.).

CONSENT AND CONSEQUENCES OF FAILURE TO GRANT CONSENT

Consent is mandatory for data relating to the processing procedure that infodolomites.com has to carry out in order to fulfill its obligations towards the interested party with regard to the existing relationship/contract as well as legal obligations, rules and regulations. Failure to provide such data may make it impossible for infodolomites.com to proceed with the existing relationship.

Consent is not mandatory for all other purposes and, even if granted may be revoked at any time by the interested party.

The purposes for which the **provision of data is mandatory** are marked with the following symbol.

The purposes for which is **NOT mandatory to provide data** are marked with the following symbol.

Data is processed as a normal part of infodolomites.com's commercial activity and according to the following institutional purposes. If the owner intends to further process the personal data for a different purpose than that for which it was collected, it shall provide all necessary information to the interested party in advance.

1. Provision of services requested by the interested party in the context of the existing relationship/contract (for example: hospitality), services provided by the Tour operator, purposes linked to related Infodolomites.com services, including those of a related external nature (tenders, ticket offices, excursions, etc.), including purposes of legitimate related interest, or administrative purposes (e.g. invoicing), accounting and tax obligations carried out for purposes of public institutional character, transposition and management of obligations provided for by national and European Community legislation, laws and regulations as well as by provisions issued by authorities empowered by the law and by supervisory and control bodies (e.g. Public Security communications), management of any judicial extrajudicial litigation and consultancy activity. Data may be subject to anonymous processing for statistical activities aimed at carrying out institutional activities and/or improving the services offered.
2. Reception and sending of messages, delivery and sending of mail passing of phone calls to rooms (during stays within hospitality structures).
3. The sending via e-mail, mail and/or SMS and/or telephone contacts of newsletters, offers, commercial communications, gifts and/or advertising material regarding products or services offered by the Data Controller/Owner and gathering of information about the degree of satisfaction regarding quality of services, directly or through third parties with whom Infodolomites.com has established collaboration agreements.

Data is processed or the carrying out of the purposes as defined above, within the terms provided or by national and community legislation, laws and regulations with which Infodolomites.com has to comply. Pursuant to EU Regulation 2016/679, the updated explicit regulatory references that provide or the obligations or tasks on the basis of which the processing of sensitive and judicial data may be processed are available from the Data Controller. This data may be communicated, within the context of the carrying out of the intended purposes only where required by law or regulation and maybe done without prejudice to the communication or dissemination of data required, in accordance with the law, by police forces, judicial authorities, information and security bodies or other public entities, or purposes of defence or security of the state or prevention, ascertainment or repression of crimes.
